Dear \_\_\_\_\_,

I plan to attend Bay Area Equine Vet Camp this summer, August 1–7, 2015. BAE Vet Camp, the only camp of its kind in Northern California, is an intensive seven-day, equine-focused summer camp designed and geared for mature, highly motivated middle and high school students and college undergrads. Vet Camp takes a collaborative and experiential approach to learning and incorporates STEM (science, technology, engineering & math), art, writing, music, and yoga and Pilates for equestrians.

This is a great educational opportunity for me—particularly because I love animals and want to explore different career opportunities working with animals. I might even consider attending veterinary school in the future, and the hours I spend at Vet Camp can be applied to my academic résumé and veterinary school applications. I'm looking forward to the challenging and one-of-a-kind workshops, lessons, and activities that will be taught by camp mentors and guest speakers.

In order to take part in this opportunity, I need to raise \$\_\_\_\_\_, I would greatly appreciate your help in sponsoring a portion of my camp experience. Any contribution you could make would bring me that much closer to this amazing opportunity. You may send your contribution to me at [Student/parent name, mailing address], or donate online through PayPal at [www.baeclub.org](http://www.baeclub.org).

Please call or email me if you have any questions or want to hear more about this really great learning opportunity. Learn more about Vet Camp by visiting the website at [www.baeclub.org](http://www.baeclub.org).

Thank you so much for your consideration!

Sincerely,
